Dear [Redacted]

**Official Information Act request relating to payments received by DPMC from government organisations**

Thank you for your Official Information Act 1982 (the Act) request received on 5 March 2020. You requested:

*“...Please list the names of government organisations (Ministries, departments, Crown Entities and other government organisations) that paid/provided money to the DPMC during each of the following financial years - 2016/17, 2017/18, 2018/19...”*

I note the time limit for responding to your request was extended on 2 April 2020 by 30 working days. The additional time was needed to complete consultations before a final decision was made on your request. I am now in a position to respond.

In considering your request, I have taken your request to be for payments received from Government agencies and Crown entities to the Department of the Prime Minister and Cabinet (DPMC). I have taken payments received as wages for seconded employees to be out of scope of your request. If I have misinterpreted, please advise accordingly.

Please find attached lists of agencies identified as making payments to DPMC, grouped by financial year. These lists have been ordered alphabetically, with some context regarding the payments identified.

You will note some payments are marked “Contribution to Policy Project”. These payments are made by agencies supporting the Policy Project’s ongoing work improving the policy system, capabilities, processes and standards, led by DPMC since 2016-17, through a annual financial contribution. Further information about the Policy Project can be found online at the following website: [dpmc.govt.nz/our-programmes/policy-project/about-policy-project](https://dpmc.govt.nz/our-programmes/policy-project/about-policy-project)

You will also note some payments are marked “Contribution to National Security Workforce Unit”. These payments reflect club funded contributions from members of the Hazard Risk Board (HRB) and Security & Intelligence Board (SIB), in order to establish the National Security Workforce Unit. If you are interested, further information about the Unit can be found online at the following website: [dpmc.govt.nz/our-business-units/national-security-group/national-security-workforce](https://dpmc.govt.nz/our-business-units/national-security-group/national-security-workforce).

You have the right to ask the Ombudsman to investigate and review my decision under section 28(3) of the Act.

This response will be published on DPMC's website during our regular publication cycle. Typically, information is released monthly, or as otherwise determined. Your personal information including name and contact details will be removed for publication.

Yours sincerely

Clare Ward  
**Executive Director, Strategy, Governance and Engagement**
