REPORT AND RECOMMENDATION OF THE REVIEW PANEL

CANTERBURY EARTHQUAKE (TRANSPORT LEGISLATION-CANTERBURY REGIONAL TRANSPORT PLANNING) ORDER 2011

1. On 15 September 2011 the Canterbury Earthquake Recovery Review Panel (the Review Panel) considered the Canterbury Earthquake (Transport Legislation-Canterbury Regional Transport Planning) Order 2011 (version PCO 15430/8.0).
2. The Review Panel considered the letter from Tony Frost of the Ministry of Transport dated 13 September 2011.
3. The Review Panel noted that the Order in Council will extend the deadlines for the Canterbury Regional Council to adopt a new regional public transport plan and a new Regional Land Transport Strategy. It will also make some changes to Canterbury's existing regional passenger transport plan to accommodate the changed circumstances for bus services as a result of the earthquakes.

4. The Review Panel is of the view that the draft Order is necessary, expedient and meet the purposes of the Canterbury Earthquake Recovery Act 2011.

Recommendation

1. The Review Panel recommends to the Minister of Transport that the Canterbury Earthquake (Transport Legislation-Canterbury Regional Transport Planning) Order 2011 (version PCO 15430/8.0) be made without change.
