Official Information Act request: Ministerial lists

Thank you for your Official Information Act (the Act) request received on 12 September 2024. You requested:

"I'm interested in the gendered distribution of ministerial positions (both inside/outside Cabinet) since the 1996 election. I can locate the ministerial lists from 2017 onwards easily enough, but am having a little trouble going further back. If you can point me in the right direction I'd be very grateful."

Response to your query

Previous ministerial lists are not publicly available on the Department of the Prime Minister and Cabinet (DPMC) website. However, the Cabinet Office holds all ministerial lists since the 1996 election. I have therefore decided to treat your query as a request under the Official Information Act.

There are around 100 lists in this timeframe. The Cabinet Office has compiled the information in these ministerial lists into tables tracking ministerial appointments for each administration. This condensed format may be of more use to you, but should you wish to request the individual lists, please let us know.

You have the right to ask the Ombudsman to investigate and review my decision under section 28(3) of the Act.

This response will be published on DPMC's website during our regular publication cycle. Typically, information is released monthly, or as otherwise determined. Your personal information including name and contact details will be removed for publication.

Nāku noa, nā

Rachel Hayward
Secretary of Cabinet

4951130
